Fort Henry

Renaissance Event Venue (285 Queen Street)

Sir John's Public House (343 King Street, East)

Step back in time with Jessup Foods at three Kingston venues that showcase Canada's past. Choose Fort Henry National Historic Site, Sir John's Public House (formerly the law office of Sir John A. Macdonald - Canada's first Prime Minister) or Renaissance Event Venue (the oldest surviving church structure in downtown Kingston). Your per capita fee includes limited entrance to the historic site taxes and a service gratuity. Select one of our period meals for your group with vegetarian options available. If you have special menu requests, special service requirements or other constraints, let us know how we may help further. A cash bar service is available in all cases.
